NOMINATION FORMS AND SUBMITTED INTO THE SECRETARY'S
MAILBOX PRIOR TO MARCH 31st, 2009.

BOARD OF DIRECTORS

2 YEAR TERM

PRESIDENT – Gil Lanoue, acclaimed
TREASURER – **Sandy Bondy seeking re-election**
DIRECTOR OF TRAVEL – Pat Campeau, acclaimed
DIRECTOR OF HOUSE LEAGUE
DIRECTOR OF TOURNAMENTS – **Ray Holland seeking re-election**
DIRECTOR OF EQUIPMENT
DIRECTOR OF PARENTS' CLUB – **Tracey Guilbeault seeking re-election**
DIRECTOR OF SPONSORSHIP AND COMMUNICATION

1 YEAR TERM

DIRECTOR OF REGISTRATION

B.R.D.M.H.A. EXECUTIVE
FEBRUARY 24th, 2009

ATTENTION ALL BRDMHA MEMBERS

In accordance with the Notice of the AGM, dated February 24th, 2009 and our Constitution adopted November 2008 and approved by the OMHA December 2008 please note that the following are the proposed amendments to the BRDMHA By-Laws and Constitution that have been brought forward for the consideration of the BRDMHA Executive.

1. Motion brought by Chris Moore:

To ensure continuity within the organization, the treasurer, secretary, player development, registration, and travel scheduling Director's position shall be filled according to the following protocol:

- (i) Candidates shall have served on the Executive Board for the last one (1) year;
- (ii) If there is no interest from this candidate group, the candidates must have served on the Executive Board in the prior year;
- (iii) If there is no interest from this candidate group, the candidates must have served on the Executive Board in the last five years;
- (iv) If there is no interest from this candidate group, the candidates must be a member of BRDMHA.

2. Motion brought by Chris Moore:

All Annual and Semi Annual AGM shall include an open public forum to allow members to address concerns with the BRDMHA Board of Directors.

3. Motion brought by Chris Moore:

All Changes to the BRDMHA Constitution may only take place as a result of a Motion brought forward and voted on at the Annual General meeting at completion of the hockey season.

Date: March 14th, 2009
BRDMHA Executive

AGENDA – BRDMHA

AGM – April 14th , 2009

1. Approval of the minutes of the previous Meeting of the Membership;
2. Receiving reports of the activities of the Association during the preceding year;
3. Receiving information regarding the planned activities of the Association for the current year;
4. Receiving and approving the report of the Treasurer of the Association from the previous year and a projected financial position for the current year;
5. Consideration of any proposed amendments to the Letters Patent or By-laws of the Association;
6. Transaction of any business which relates to the business of the Meeting referred to above, and notice and particulars of which are received by the Secretary in writing 14 days immediately preceding the Annual General Meeting;
7. Election of the new Board.

B.R.D.M.H.A. – Minutes from AGM

ANNUAL

Tuesday, April 14th, 2009

BOARD MEMBERS ATTENDANTS:

Gil Lanoue, Kevin Beuglet, Todd Luno, Pat Campeau, Sandy Bondy, Denis Comartin, Richard Ireland, Tony Gossmann, Rob Dannenberg, Tracey Guilbeault, Ray Holland, Lorne Strong, Dave Ferris, Sharon Dunwoody, Carmela Fenos

GENERAL MEMBERSHIP ATTENDANTS:

(See attached attendance sign-in sheet)

MEETING CALLED TO ORDER AT 7:43 p.m.

Gil called the meeting to order and thanked everyone for their attendance and asked that they take a few moments to review the Minutes provided arising from the Semi-Annual AGM.

MINUTES FROM PREVIOUS MEETING:

Motion to approve Minutes from previous AGM meeting by Rob seconded by Kevin. Minutes accepted.

REPORT FROM THE PRESIDENT:

Gil started off by advising the membership that we have had a successful year. There has been much success this past year. By way of improvements he advised that the ice scheduling has improved with many less hours lost due to the system implemented which is also fair and available for everyone to view on the website. The website is a great improvement through IT. The Day of Champs was a great success. On the down side there have been some resignations from the Board and we have been fortunate to have some of the positions taken up. Gil thanked the current Board members for their time commitments and thanked the new candidates willing to come on board and work together.

REPORT FROM DIRECTOR OF PARENT'S CLUB:

Tracey introduced herself as the Director of the Parent's Club. She advised that we have had another successful year. She reported that the Photographer used by the Association also returns funds as a fundraiser to the Association dependent on the amount of sales. This year she was given the amount of \$1600.00 from the Photographer, which indicates that members were pleased with the photos and purchased lots. This Photographer, Future Stars also provides the Association all sponsorship plaques and Tim Horton's photos for free. Tracey also reported that the Day of Champs was a success. She thanked all the volunteers and Board members that helped during the day. She acknowledged that Gil's idea of pasta and salad was a good idea as much was sold throughout the day. The Coaches Appreciation dinner is scheduled for this Saturday, April 18th, 2009 with dinner to be served at 7:00 p.m. Currently she has 230 people registered for the dinner. She has had 6 gate boxes returned from the travel teams. Once the Coaches dinner is over and she has been returned all of the gate boxes, she will be able to provide the financial statement to Sandy thereafter.

REPORT FROM THE DIRECTOR OF ABUSE AND HARASSMENT:

Dave introduced himself as the Director of Public Relations. He advised that at times his job is quite busy. All decisions with respect to his job are made with the Board. Overall Dave advised that he is very proud of the Association. Most of the members conduct themselves in accordance with the Code of Conduct, which creates a good atmosphere. A few concerns were serious over the year and he hopes that more people will conduct themselves in accordance with the Code of Conduct which will lead to another good season coming up.

REPORT FROM DIRECTOR OF PLAYER DEVELOPMENT:

Kevin introduced himself as the Director of Player Development. He advised that he had a great year with the mites, tykes and novice. The mites division is huge. There were 59 players registered in the mites division this year. This is proof that our organization will continue to grow. Also, Kevin has asked around in the local schools and registration is projected to increase in the JK and SK programs which in turn will increase our numbers as well. We will need to secure more ice in the near future. Other than the lack of ice, everything is going well. He has been in touch with coaches from the mites, tykes and novice division and most of them are willing to return and they are all in line ready to go. Currently there is one clinic booked for May 14th which is a D1 refresher. At the current time we do not have enough members interested in attending the trainers' refresher course.

REPORT FROM DIRECTOR OF REFEREES:

Tony introduced himself as the Director of Referees. Tony advised everyone of his responsibilities which includes interviewing and hiring new referees, contacting returning referees, prepare monthly

postings, assigning the postings and attend meetings with the OMHA referees. Also, Tony has taken the responsibilities of development and maintenance of the BRDMHA website with Denis Comartin. This year we had 31 officials that were responsible for 510 houseleague games. The arbitor system has been set up for schedules for the officials. BRDMHA has also been the sponsor for new referees school in late September. Tony will meet with Greg Boyd in order to address what our future needs will be.

REPORT FROM DIRECTOR OF TRAVEL ICE SCHEDULING:

Denis introduced himself as the Director of Travel Ice Scheduling. Denis advised that things ran pretty smooth this past year, given the limited ice time available. Ideally, we would like to have 2 practices per week, per team. Denis advised that he tried to be fair with the ice scheduling. Overall, we are looking towards a good season for next year. Denis wanted to express his thanks to the Board and membership for a good season.

REPORT FROM TRAVEL DIRECTOR:

Todd introduced himself as Travel Director. Todd advised that he holds three positions being the Travel Director for BRDMHA; The Bluewater representative and the OMHA Centre Contact. He advised that this year was one of the best from his position. Everything ran fairly smoothly. Our Bantam Major team was in the OMHA finals; Atom AE team was Bluewater Champs; Atom Major team was a finalist in Bluewater and the Novice were involved in an exciting final game as well. At the last Bluewater meeting, Todd advised that the decision was made that the gate boxes will no longer be a part of the regular season or playoff games. In playdowns, the gates will continue as it is a requirement of the OMHA. Todd reported that the representative from Amherstburg was not happy with the decision to remove the gate boxes as that Association has been successful in collecting \$17,000.00 during one season. Todd advised that the fashion in which Bluewater operates is that the reps from each centre run the Bluewater association. They prefer that the reps work with each other, rather than ask for the President to intervene. The President attempts not to get involved with disputes between centres. With regards to the OMHA and the residency questions there is currently a new program being offered, "Made in Ontario Plan". All Associations across Ontario will be involved. The OMHA is going to try to get input from everyone to see what is best for us, as to whether the residency restrictions should remain in place or be lifted. Todd acknowledged Denis for his help throughout the year and in completing contracts for the playdowns and playoffs. Todd also thanked the Board and other volunteers for their hard work and commitment throughout the year.

REPORT FROM THE DIRECTOR OF EQUIPMENT:

Pat introduced himself as the Director of Equipment. He advised that he is in charge of the

equipment available at the arena as well as purchasing medals for the Day of Champs. Pat thanked everyone that helped him throughout the year. He advised that he has purchased a few new sets of goalie pads. Also, he wanted to ensure that appropriate thanks went out to Julie Stafford, a parent in the Association, who generously donated a whole set of goalie equipment. Pat is currently in the process of collecting any outstanding jerseys and equipment. He urged any coach that currently has not returned equipment to contact him to schedule the return. Pat thanked Mark Gilbert for helping him throughout this past season and as well for stepping up to the open position of Director of Equipment. Pat also wanted to mention a thank you to Clyde for helping out the kids whenever called upon. He has handed his budget into Sandy for the current year. He wished everyone an enjoyable Summer and see you next year.

REPORT FROM THE DIRECTOR OF REGISTRATION:

Lorne introduced himself as the Director of Registration. He advised that he stepped into the position at the time that rosters were being completed through the IT system. He has successfully removed the duplications of registrations through IT. However, OMHA has advised that they have switched software and just recently announced that they will be using the Hockey Canada Registration as opposed to IT. Lorne advised that he and Sandy attended the very limited training and currently our Registration is open. There are a few bugs to work through and he is working with the technical support system of HCR.

REPORT FROM DIRECTOR OF TOURNAMENTS:

Ray introduced himself as the Director of Tournaments. He advised that he had previously held the position of Director of House League Tournament for 4 years and this is his first year with the title of both Director of House League and Travel Tournament. Last year the travel tournament was new for him and he had 16 teams participating. This year he has set it up to have a total of 32 teams participating and he has added a spot for the AE division of Atom and Peewee. The teams from Toronto seem to not want to come down to our tournament and therefore he will be opening it up to teams from the U.S. During last year's House League Tournament Belle River won 4 out of the 5 divisions. In accordance with last years' numbers, it does not cost Belle River anything to run the tournaments. Ray urged anyone that would like to help out to come forward and perhaps take care of the scheduling of volunteers for the clocks during the tournaments. He usually is able to secure names of students willing to help out but it is difficult to get them to the arena on time. He is looking for help other than Board members, who usually do attend to help out.

REPORT FROM THE DIRECTOR OF SPONSORSHIP AND COMMUNICATION:

Richard introduced himself as the Director of Sponsorship and Communication. Richard thanked the current Board members for giving him the opportunity to be a part of the Association. He

advised that the Board members have shown him dedication on and off the Board. He advised that being a part of the Board gave him a better understanding of how the Association is run. As far as securing sponsorships for the year, given the difficult economic times, it has been difficult. Nevertheless, he was able to secure \$3,000.00. He continued advising that he wished the best for the new successor for the Director of Sponsorship and Communication. Good luck to the present and new Board members. Richard wanted everyone to remember that we are here for the kids and letting them have fun. He wished everyone a great season next year.

REPORT FROM THE DIRECTOR OF HOUSE LEAGUE SCHEDULING:

Sharon introduced herself as the Director of House League Scheduling. She advised that she has been in her capacity for seven years. This past year went very well. During the Day of Champs, recently, she was the sole provider at the arena for both A and B ice. Everything did go well. All games ran on time. The Local League Day of Champs was in Belle River this year as well. Sharon wanted to acknowledge and thank Tony, as she worked directly with him throughout the year. She also thanked Denis who took care of updating the master ice scheduler. Also Sharon thanked Rob, who she worked with in ensuring the local league ran smoothly.

REPORT FROM THE DIRECTOR OF INTERLOCK:

Rob introduced himself as the Director of the Interlock (Local League). Rob thanked everyone for attending at the meeting. He advised that in the Interlock system this year Belle River had 5 Bantam teams and 4 Midget teams. During the Local League Day of Champs, Belle River had 4 Bantam teams representing us. One of the Bantam teams went to the final and won. One Midget team went all the way to the final game during the Day of Champs. There has been some controversy as to whether we should continue in the Local League system. There were some quirks that needed to be ironed out and have been. The players enjoy playing with other teams from other associations and the decision has been made to continue. Rob thanked everyone for their time and effort and advised that things will run smoother next year.

**Motion to accept all of the reports from the Directors by Sandy and seconded by Richard.
Report accepted.**

NEW BUSINESS TO EFFECT BRDMHA:

Gil advised that the new business to effect BRDMHA is as Kevin mentioned regarding the hopeful acquiring of new ice. Further, Town Hall will be holding a meeting for taxpayers asking for input as to whether a new area facility is likely. Gil advised that we have been strongly advised to have all of our members in attendance at the meeting as 'it is all in the numbers'. The more of our

members that attend the meeting, the stronger our viewpoint will be put across.

TREASURER'S REPORT:

Sandy introduced herself as the Treasurer for the Association. She continued advising the members in attendance that she had prepared two statements in accordance with the Constitution. The one statement is for the 2006/07 hockey season as prepared by the Accountant and the other statement was an unaudited version of the 2007/08 season. The Board has agreed not to raise registration for the 2009/10 hockey season. After we made that decision, the Township advised us that the ice costs will be going up for next year in the amount of 2% per hour. That difference will eat up our reserves. Further, as indicated by Todd the gate boxes are now a thing of the past. That difference will be picked up by the travel sector in the travel fees.

Sandy is also the Bingo Chairperson and advised that Bingo usually raises approximately \$20,000.00 per year, which goes towards paying an ice bill. Every two or three years we have enough to pay one month of ice with the Bingo funds.

Robin Margerison was in attendance as the representative for the 50/50. Robin introduced herself and advised that she has been in her capacity as a non-voting member of the Board for five years. This year, 10 teams participated with 5200 tickets being issued. Robin advised that if anyone is interested in learning her part of the Board, or taking it over completely, they should contact her directly as her phone number is on the website. She will be happy to explain the procedure to the new person.

Gil asked for a Motion to accept Sandy's Treasurer's report and many questions immediately arose from the floor. Gil opposed the fact that questions had arisen as he was asking for a Motion to accept Sandy's Treasurer's report.

Motion to accept the Treasurer's report by Rob and seconded by Chris Moore. Report accepted.

Scott Daudlin was upset with the fact that he had learned that the Board has a Christmas Party funded by the Association with alcohol and he did not see it listed on the Financial statement. Sandy advised that it is listed under Board meetings. He wanted to know where it was itemized with the bar bill. Sandy advised that it had never been itemized. Gil interrupted and asked that Scott not continue with the questioning as it was not appropriate.

That conversation was followed by Bill Stafford who asked what the forecasted surplus would be for the year. Sandy advised that she could not comment on the surplus as she still had bills to pay, including an ice bill and local league bills.

Carolyn Moore wanted clarification as to funds that were fronted to the travel teams for tournaments that appeared not to be fully returned to the Association. Sandy advised that the teams had not yet completely returned the borrowed funds from the Association and our year end is April 30th. Sandy

continued explaining that if the teams did not return the borrowed funds and provide financial statements, they would not receive the financial assistance from the Board for the end of the year parties.

AGM PENDING MOTIONS:

At this time the Motions pending to be voted on by the general membership were brought to the table. Gil invited Chris Moore to step up to speak to the Motions submitted by himself.

Motion # 1. Chris advised that it was his intention to drop this Motion. He was attempting to understand why only two positions were protected at the Semi-Annual meeting. He knew of the Travel Director being put into the Constitution from the Operating Procedures but thought that there were some positions that needed to be protected i.e. Treasurer that holds a budget of \$500,000.00. He felt that some positions had criteria to be protected in order to ensure continuity of the Association. However, he dropped the first Motion.

Motion # 2. Chris advised that there should be some form and opportunity of open forum. Whether it be in the form of asking questions of the Directors following their reports or an open forum at the end of the meeting.

Gil responded advising that we as a Board are very accessible and bringing questions to the Board member at the last minute is not fair. He advised that the Executive is opposed to Motion # 2. Gil invited anyone else to speak to Motion # 2.

Bernie Coates spoke up and asked why questions could not come from the floor. He felt that if they are to attend at a private meeting it could be considered back door agendas. He felt that it was fair for the membership to hear the questions being brought forward and feels it is a great idea.

Joyce Gossmann advised that she did not see a problem with it however, she did not think it was fair if someone asked i.e. Sandy for an answer and she did not have it at her fingertips with an accurate answer.

Todd advised that we need to keep it organized. We can't have attacks on the Directors. If questions arise, there is no problems, it is the attacks that are not acceptable.

Sandy advised that she had no problems with an open forum with the reports at the meetings. She feels that the Board needs to be able to have a chance to give answers. She had no problems with the questions arising from the reports.

Gerard Emery asked that perhaps the financial reports be made available three weeks in advance of the AGM. That way, people could formulate their questions and the Board members would have time to get the answers.

Julie Renaud spoke up and said that she was in agreement with Sandy and Gerard Emery. She did not like the idea that the Board members are not going to answer any questions from the membership.

Gil advised that he is not trying to shut everyone down. It is very difficult to field questions from the floor when the Board members are not prepared.

Mike Vanier thought that it the Motion was recognized and we should move on.

Todd asked Chris if he wanted to amend his Motion. He advised that we as Board members are not unapproachable. We feel that we get attacked. Members must ensure that they do not let it get personal. We have to stick with issues. He would agree with an amended Motion.

Robin Margerison responded to Gerard Emery and advised that some reports cannot be prepared 3 weeks in advance. In that way, they would not be current with the date of the AGM. Currently we are trying to close off year end. Current information is done at the last minute in order to provide useful information to the members.

An amended Motion was made by Chris. The Motion was seconded by Sandy Rogers, to have a question period after each report with questions pertaining only to the information contained in the report. However, should it be deemed by the President to be out of order and/or exceeds time limit (5 minutes) that segment of questioning will be opposed. Motion carried. 3 opposed.

Motion # 3. Chris spoke to the Motion advising that his reasoning for the Motion is because the Semi-Annual AGM has historically had very low attendance. He feels not a reasonable number to pass an amendment to the Constitution. Chris feels that this Annual AGM is the place for it. People come out to this AGM in numbers. He does not feel that it is fair to bring a Motion for a vote before six people. He feels all Motion should be brought before the Annual AGM. He cannot think of anything that would be so important that it would have to be brought at the Semi instead of waiting for the Annual.

Gil advised that the Executive was opposing the Motion as in order to run an organization effectively, sometimes you cannot wait a year to bring an amendment. Any amendments done were all duly posted. All members were invited and welcomed to come and put their position forward.

Bernie Coates advised that he feels our Constitution says Motions only at the Annual AGM.

Pat advised that we as a Board would be thrilled if the numbers in attendance tonight would also be in attendance at the Semi-Annual. He said he cannot think of a reason the numbers are not as high for the Semi Annual. It is duly posted. He advised that the face of the OMHA is currently changing. He feels that we may have to have constitutional changes or we may be behind the '8 ball'.

Sandy Rogers advised that although we are saying that everyone is welcomed to meetings, she has looked online and reads the Minutes from the meeting that reflect that the next meeting has already taken place. She was advised that the Minutes are posted only after they are approved by the Board, which unfortunately, is after the meeting has taken place. She was invited to contact Carmela to find out when the next meeting is scheduled.

Jim Renaud advised that it is obvious that the Annual AGM is the place for better numbers. "Let's make anything to be changed happen at the Annual. Let's be guided by a new Motion. We should take advantage of that experience".

Cory Cronin advised that if it is important enough to us to make amendments, we should be in attendance at the meeting. He felt that all Board members are doing a great job and keep it up.

Ken Guilbeault spoke and advised if we are not able to bring Motions at the Semi-Annual meeting, why have the meeting. He feels that we should show up and voice our opinions at the Semi-Annual meeting.

A vote was taken and 8 members were in favour of the Motion. Motion denied.

Prior to the vote taking place, Cory Cronin asked that since the Belle River Canadiens were in our venue, would it be possible for the minor hockey consider becoming Jr. Canadiens with the same colours? He will pose the question formally at our next meeting but simply wanted the Board to think about it. Todd advised Mr. Cronin that the Belle River Rink Rats were in Belle River prior to the Canadiens. Further it would be very costly to the Association to change the colours.

Election of the new Board:

Gil advised that the following members had been acclaimed:

Gil Lanoue	--	President
Pat Campeau	--	Travel Director
Mark Gilbert	--	Director of Equipment
Scott Marentette	--	Director of House League
Ray Holland	--	Director of Tournaments
Kristie Cronin	--	Director of Sponsorship and Communication
		<i>(Tracey Guilbeault withdrew her nomination)</i>
Lorne Strong	--	Director of Registration

Nominees for Treasurer position:Elaine Nocent:

Elaine introduced herself as a mother of 2 boys, playing hockey in Belle River. She is employed at United Community Credit Union responsible for financial statements and financial transactions for 22 years. She is looking to become involved in the community and would appreciate your vote as Treasurer.

Sandy Bondy:

Sandy re-introduced herself and advised that she had currently held her position for 8 years. She also advised that the position was not simply financial statements and paying bills, she also has to work with the 50/50 liaison and co-ordinating bingos to help raising money. She does enjoy her job and feels that she has streamlined it over the years pretty good.

Nominees for Director of Parent's Club:Sue Dominato:

Sue introduced herself and advised that all three of her children play hockey. She has been employed for 22 years at TD Bank. She has a variety of volunteer experience for 10 years, including treasurer and co-chair. She has run many successful fundraising activities. She feels that she could bring some of her success to BRDMHA and would appreciate your support.

Tracey Guilbeault:

Tracey re-introduced herself and advised that she has 2 children that currently play hockey. She was asked to join the Board 5 years ago. She has 9 years of experience in organizing events including school graduations, dances and auctions. Recently her son switched schools to St. John's in Woodslee and she is also involved in fundraising there. Her job has many challenges including trying to please 400 families in the Association. Each year she has worked with many of the Board members, past and present. She feels that her position has been more successful every year. This year she successfully secured a donor for the Day of Champs which will help out the Association. This donor will pay for the teams participating in the Day of Champs for advertising of his business only. Some kids cannot afford to play hockey and she has been in contact with the Windsor Spitfires regarding a fundraiser for next year. Also she is intending on setting up a weblink on our website for Hockey Moms in the hopes of securing volunteers to hold many activities including a used equipment sale.

Votes were counted.

Gil announced two new Board members

Elaine Nocent	--	Treasurer
Sue Dominato	--	Director of Parent's Club

Gil congratulated the new Executives.

Motion to destroy ballots by Sandy and seconded by Mike Kraynack. Motion passed.

Mike Kraynack spoke out and asked if we could try to keep our AAA players in our system. He asked why we were losing our kids to AAA. Dave Rogers feels that it is lack of coaching. Pat responded with the fact that he has put ads in the local newspapers and used our resources to attempt to get qualified coaches in place and in the end wind up with no coaching interest. Also Pat mentioned that he has taken a poll of coaches and members and in the end the common idea is if we have more ice and better coaches, we can probably keep most of our players in the Association, rather than jumping to AAA. Pat expressed that we will do our best to solve the issues, but we cannot make them stay with us and not jump to the higher level of play. Todd also responded that we have a lot of kids going to AAA because our Player Development Program works.

Kevin urged everyone that we will take phone calls or emails from anyone and will attempt to get answers to them as soon as possible.

Dave Ferris pleaded with everyone to not believe rumours circulating in the arena. If you hear something and it bothers you perhaps you should approach one of the Board members in order to clarify. Rumours can usually be quashed with the facts rather than spreading inaccuracies. We will get you the answers.

Thank you to everyone for coming to the meeting and have a safe evening.

Motion to adjourn by Todd and seconded by Kevin. Meeting adjourned.
